

## CLASS NOTES-ANSWERS

### Answer these questions.

1) Where did robins enjoy a bath?

**Answer:** The robins enjoyed a bath in the pool in the poet's garden.

2) Why did the poet call the pool 'pretty'?

**Answer:** The poet called the pool pretty because it is lined with pebbles neatly laid and filled with clean and cool water.

3) What did the robins do in the pool?

**Answer:** The robins cluster around the brink of the pool and flutter down to drink water. Then, they splash the water to take a bath.

4) How do you know that the robins felt happy after playing in the pool?

**Answer:** We know that the robins felt happy because the poet says that they sang sweetly their delight after playing in the pool.
