

CLASS NOTES-ANSWERS

Study skills

You have read 'The Three Butterflies'. As a quick recap, write two sentences about each of these characters from the story.

1) Rangberangi:

Rangberangi was Neeli, Peeli and Lali's mother. She had taught them all that they knew.

2) cloud:

The mean cloud was jealous of the fun the butterflies were having.

In the end the cloud turned white with shame when he saw the love and loyalty among the butterfly brothers.

3) Neeli:

Neeli was Lali and Peeli's brother. He refused to abandon his brothers and take shelter alone in the kachnar tree.

**B. Answer these questions.**

1) What did the three butterflies do after growing up?

Answer: The three butterflies went to explore the world after growing up. They set off to experience the wonders that they had never dreamt of. They flew about restlessly, excited and laughing.

2) Why did the black cloud decide to put Neeli, Peeli and Lali through a test?

Answer: The black cloud was jealous of the fun that the butterflies were having and decided to put them to test to see how loyal they were to each other.

3) What did the gulmohar tree say to Lali? Did it make him happy?

Answer: The gulmohar tree said to Lali that it could give shelter only to Lali, but not his brothers. Lali was welcome because he was red just like the flowers of the gulmohar. This made Lali angry.

4) Why did the cloud turn white with shame?

Answer: The cloud turned white with shame because he saw that Neeli, Peeli and Lali were indeed very loyal and loving towards each other.
